Frequently Asked Questions:

What if the weather is bad? We will cancel club due to inclement weather, lack of snow, extreme cold, etc. We communicate cancellations through email, group text, and school announcements. The club season will extend another week until we have had 6 meetings.

Can I ski/snowboard with my child? Absolutely! We encourage any interested parents/guardians to join us. Chaperones receive a complementary lift ticket and equipment rental (if needed) – subject to limited availability. If your child is in 1st or 2nd grade we ask that an adult join them each night.

Are there ski / snowboard lessons? Yes, for \$10 you can optionally purchase three 1-hour group lessons for your child. Lessons are held the first 3 club nights only.

What is the club format? Open format, kids have optional lessons once club starts and then they are free to ski/snowboard at their leisure until it's time to leave.

Does my child have to ride the bus? No, if you prefer you can take your child to Powder Ridge and pick them up as well.

If you have additional questions check our online FAQ page at <http://www.cardinalcruisers.com/faq/> or contact a club coordinator via email. Thanks for your interest! Skiing and Snowboarding are lifelong sports we hope your child enjoys as much as we do!
